

DALTON STONE

EXPERIENCE

Laborer - Major League Pressure Washing
Aug 2021 - April 2022

Performed residential and commercial exterior cleaning, operated high-pressure equipment, ensured site safety, and maintained quality standards under fast-paced conditions.

Missouri Special Warfare Team Leader - T3i USAF

Jan 2022 - April 2022

Led, trained, and evaluated Special Warfare candidates; enforced discipline, physical standards, and readiness protocols in high-intensity environments.

Special Warfare Candidate (SERE) - USAF

May 2022 - July 2022

Completed initial Special Warfare training with a focus on survival, evasion, and resistance principles; upheld elite physical and mental standards in a high-pressure military environment.

Founder, Web Developer, QA Specialist - Precise Creation

Nov 2022 - Present

Built and managed 50+ websites, led full-scale projects from planning to deployment, and conducted in-depth functionality and performance testing across devices.
